RECREATION

Sport around in Riverton! Whether you like to fish, or just swim like one, Riverton offers a variety of opportunities for the sports enthusiast.

BOYSEN STATE PARK

Whether it's fishing, boating or just relaxing, we think you'll find Boysen State Park is a good place to be! Nearby open spaces offer opportunities for four-wheeling, and motorheads find plenty to do on the reservoir at Boysen State Park, where motorboats and seadoos skim the deep blue waters.

FISHING

For many people, fishing is a way of life. There's something about wandering along a stream, searching for quiet eddies or undercut banks where the trout lie waiting or drifting across a lake, rod out, hat pulled down over your eyes, that gets into your soul and never leaves. Opportunity nibbles in Riverton's namesake streams, at Boysen State Park and at remote lakes in the surrounding mountains.

HUNTING

Wyoming's big game herds rival its human population in size, and hunting is part of the state's cultural legacy. Hunter success rates are higher here than anywhere else in the lower 48, so chances are you'll bag your prize and come home with one of the many game animals in the area like elk, mule deer, pronghorn, moose, game birds, bighorn sheep, black bear or a mountain lion.

AQUATIC CENTER

There's no better way to stay in shape year-round than to head to the pool for a few laps or hook up with a group of dedicated human dolphins. The Aquatic Center offers numerous lap pools, a hot tub, sauna, steam room, whirl pool, diving boards, and has a giant inflatable slide to increase the fun.

GOLF

Two golf courses provide more than 27 holes of fun in Riverton. The Riverton Country Club golf course is a challenging 7082 yard layout with a driving range, chipping area, and putting green. Frisbee golfers can find an extensive course on the grounds of CWC.

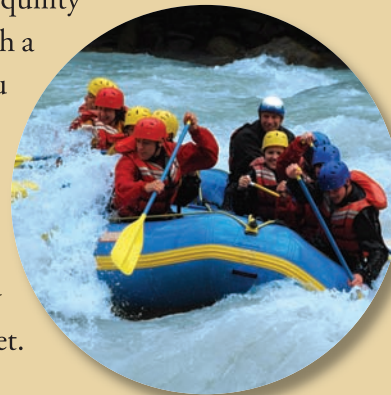

COMMUNITY PARKS

There are six community parks in Riverton, offering a variety of play equipment and athletic spaces. Whether you're looking for a sandbox or a sandlot, you'll find it here. Tennis courts and a skate park, in addition to new playground equipment, accent City Park.

HOT AIR BALLOON RIDES

Experience the freedom and tranquility of floating across the sky, with a bird's eye view of places you may have seen before, but never as you will see them from above. Balloon Rides near Riverton are generally flown at Sunrise or Sunset.

WHITewater BOATING

Enjoy the beauty and serenity of the Wind River Canyon, but be ready to get drenched while running exciting rapids! You will definitely get soaking wet on this trip!

RAILS TO TRAILS

The railroads pulled up spikes in Riverton, but the route the rails took has been transformed into Rails to Trails. The trail is paved from the trail head in Riverton to the outskirts of town and continues on to Shoshoni as a dirt trail. One of the highlights of the ride is going across a railroad bridge that was built in 1883. Bring your bike, rollerblades, skis or snowshoes and explore!

SPECIALTY SHOPS & SERVICES

Explore Riverton's specialty shops and services. From gluten-free goodies to hand-crafted gold, you'll discover things you never expected to find!
